

Harper College Transfer Planning Guide

Associate in Arts – Kinesiology – Sports Management Sample Plan

Transfer & Career Notes

Kinesiology is the study of human movement whether it is through scientific aspects, learning to teach technical and tactical skills in sport, or improving your own level of physical fitness through courses in fitness, individual and team sports, martial arts and dance. A Bachelor's degree in Kinesiology can give you the knowledge to become certified as a personal trainer or coach or provide you with many professional options related to the Sports and Fitness Industry.

Suggested Courses

This sample transfer planning guide meets the requirements of the Fall 2017 AA degree. Transfer institution requirements may vary - students should check individual college/university requirements before completing the sample plan as outlined. Baccalaureate admission may be competitive; completion of these courses alone does not guarantee admission.

Requirements for schools vary. Students should check the individual school requirements before completing the curriculum as outlined.

Courses	Semester Hours
First Semester	
Communication - ENG 101 English Composition I	3
Humanities and Fine Arts* - See Group 4 in the AA Degree and transfer school information	3
