THIS TRANSFER GUIDE CONTAINS IMPORTANT TRANSFER INFORMATION THAT CAN IMPACT A STUDENT'S ABILITY TO TRANSFER AND COMPLETE THEIR STUDIES IN A TIMELY MANNER.

The information on this sheet is subject to frequent change; students should contact the four-year school to keep informed of changes. Final responsibility for verifying all transfer information lies with the student.

TRANSFER OPTIONS

Complete AA or AS Degree

Students planning on transferring to Bradley University who complete the AA or AS degree can benefit from the Illinois Articulation Initiative (IAI). By completing Harper's 1998 or later AA or AS degree with a 2.0 GPA in Groups 1-5, Bradley's general education requirements will be considered met.

Individual majors may have additional prerequisites and/or requirements that are not covered by this agreement.

Transfer without completing AA or AS Degree

Students who choose to transfer prior to completing an AA or AS degree can still benefit from Illinois Articulation Initiative (IAI) by completing Groups 1-5 of the AA or AS with a cumulative 2.0 GPA. This completes the General Education Core Curriculum (GECC) which will meet Bradley's general education requirements.

Students who do not complete the AA or AS or the GECC will need to meet Bradley's general education requirements. See the transfer grid on page 3 of this guide.

ADMISSION REQUIREMENTS FOR TRANSFER STUDENTS

Applicants who have earned 15 or more semester hours of college work will be considered for admission on the basis of college performance only.

- A cumulative C average for all hours attempted and good standing at the last college attended are necessary.
- Students going into Teacher Education, Psychology, Nursing or the College of Engineering are required to have a 2.5 minimum GPA to be considered for admission.
- Health Science, which is Pre-Physical Therapy and Biology/ Pre-Med require a 3.0 minimum GPA to be considered for admission.

Students with less than 15 accumulated hours must submit their high school record including ACT and/or SAT scores.

TRANSFER CREDIT

- Transfer of credit is awarded on a course-by-course basis.
- Transfer credit from two-year colleges is limited to 66 semester hours.
- Grades of D are transferable if a 2.0 GPA was achieved at the institution at which the course was taken.
- Exceptions include courses required to satisfy major requirements in the College of Business, the College of Engineering, the Department of Teacher Education and the College of Nursing.

ADDITION INFORMATION FOR BUSINESS AND EDUCATION MAJORS

Students planning on majoring in Business or Education should consult the Business Packet or the Education Packet found at www.harpercollege.edu/transfer for additional transfer requirements.

FOREIGN LANGUAGE REQUIREMENT

Not all majors at Bradley require a foreign language. Students seeking a BA degree will be required to complete a 202 or 300-level foreign language course. In addition, International Business requires a college foreign language. Bradley will accept CLEP, IB and AP credits, but not another institution's proficiency exam.

APPLICATION DEADLINES

Applications should be completed no less than 30 days in advance of the start of the semester for which the student is applying. It is strongly recommended that transfer students apply several months prior to the beginning of the semester. Those students who are interested in academic scholarship opportunities are encouraged to complete their application by March 1.

TRANSFER SCHOLARSHIPS

Automatic transfer scholarships and Phi Theta Kappa scholarships ranging from \$3,000-\$5,000 are available upon admission.

The \$3,500 Presidents' Partnership Scholarship is awarded on a competitive basis to first-time transfer students entering directly from Harper College.
