

Bachelor of Science in Graphic Communications

2 years Harper College + 2 years Illinois State University

(Print Production Option)

Suggested Course Sequence: Subject to Change

Note: **This plan is for example only and open to modification by the needs of the student.** For example, general education courses like MTH 124 Finite Math may be taken in summer at Harper or at ISU. Only course sequences approved for the A.A.S in Graphic Arts Technology at Harper College and the B.S. in Graphic Communications at ISU will work as a 2 + 2 program. Talk to your advisor at Harper College and the advisor in the Department of Technology at ISU to plan your curriculum.
