ADMISSION REQUIREMENTS FOR TRANSFER STUDENTS

The admission requirement to transfer into the College of Engineering is a minimum GPA of 2.5 (A=4.0) for Illinois residents and 2.75 for nonresidents. Both cumulative GPA, and the GPA for science, math, and engineering courses, must meet this requirement.

All Engineering Majors Except Computer Science:

- ENG 101 and 102
- MTH 200, 201, 202, 212
- PHY 201 and 202
- CHM 121

Computer Science majors only

- ENG 101 and 102
- MTH 200, 201, 202
- 10 hours of lab science – choose from BIO 110, 120, 140, 115, 116; GEO 101 or 102; CHM 121, 122; PHY 201, 202

Students with the most courses completed at the time of application as well as the highest GPA will be given priority for admission.

CSC 121 and CSC 122

Student interested in taking CSC 121 and 122 should be aware that depending on their major one of the courses may not be used. Please see the grid below for more information:

Engineering Major at UIC	CSC 121 Used in Degree	CSC 122 Used in Degree
Bioengineering	Yes	No
Chemical Engineering	No	No
Civil Engineering	No	No
Computer Engineering	No	Yes
Computer Science	Yes	Yes
Electrical Engineering	No	Yes
Engineering Physics	No	Yes
Engineering Management	Yes	No
Industrial Engineering	No	No
Mechanical Engineering	No	No

Please note that both courses transfer to UIC and will be used in determining your transfer GPA but depending on your major, it may or may not be used towards your degree.

FOREIGN LANGUAGE

The College of Engineering at UIC does not have a foreign language requirement. Students do not need to complete a foreign language to graduate.

ADDITION INFORMATION FOR BUSINESS, ENGINEERING, NURSING AND EDUCATION MAJORS

Students planning on majoring in Business, Engineering, Nursing or Education should consult the Business Packet or the Engineering Packet or the Nursing Packet or the Education Packet found at www.harpercollege.edu/transfer for additional transfer requirements.

TRANSFEROLOGY

Students interested in transferring to UIC should utilize Transferology to see how their courses will transfer and also to plan any future courses accordingly. Transferology can be accessed at www.transferology.com. If you need assistance using Transferology please stop by Academic Advising and Counseling in Building I, Room 117 or call 847-925-6393.

TRANSFER CREDITS

Transfer credit is awarded on a course-by-course basis. Courses in which D grades are earned will not be applied towards the degree. A student must earn the final 60 semester hours of their degree at a 4-year institution.

UIC is a participant in the Illinois Articulation Initiative (IAI). Students who complete the AA or AS degree prior to transfer or who complete the IAI GECC should make sure to inform their advisor at UIC.

CALCULATION OF ADMISSION GRADE POINT AVERAGE

Grades for all baccalaureate-oriented course work attempted are used in computing the transfer GPA. However, a particular school or college may not accept all courses toward a degree and may delete credits and grades for such courses. Courses in which grades of D are earned will not count towards the degree.

APPLICATION

Effective with the Fall 2013 application UIC has begun to use the Common Application:

<https://www.commonapp.org/>

Transfer students have the option to complete the Common Application or the UIC Web Application:

http://www.uic.edu/depts/oar/undergrad/apply_transfer.html

For the Common Application the only materials that need to be submitted are:

- application
- UIC supplement (accessed through the Common Application)
- all college transcripts
- application fee

Some specific majors may require letters of recommendation but those will be submitted separately and not through the Common Application. No Common Application Supplemental Forms are required.

 July 15th for International Students

Fall: March 31st
 January 15th for International Students
