Training topics include, but are not limited to:

- Leadership
- Customer Service
- Information Technology
- Finance and Accounting
- Sales
- Supply Chain Management
- Specialized Industrial Performance Improvement

QUALITY INSTRUCTORS

95% of participant post-training surveys rate instructors between 4.5 and 5 on a 5-point scale.

REPEAT CUSTOMERS

50% of the customers requesting a single service return for additional training support options.

HIGH MARKS

HBS has a **100%** customer service satisfaction rating.

Why Harper Business Solutions

We're committed to building long-term relationships within the business community by becoming the premier choice for information, the first choice for support and the go-to destination for learning initiatives and growth.

Flexibility

Allows businesses to receive training when, where and how they want it.

Retention Enhanced by Customization

Customized materials, from actual on-the-job scenarios, positively impacts retention. Participants see the relevance and importance of each course and can implement what they've learned with greater accuracy.

Collaborative vs. Sales Approach

With 30 years' experience in the community, HBS is here to listen and support businesses in achieving their training goals and become a trusted resource for all professional development needs within organizations.

"I enjoyed this course and would recommend it to my co-workers. It was very helpful in learning the many ways to improve your work environment, while at home."
