

## BUSINESS ADMINISTRATION

### Associate in Applied Science A.A.S.: Option 1: Business Administration Degree - Financial Management

*This 61 credit-hour degree program is designed for those currently employed in or seeking employment in finance departments, banks, investment companies or other finance-related enterprises. The curriculum emphasizes developing the competencies necessary for supervisory and public contact positions in the finance field.*

*This degree is shown in a standardized sequential semester option. However, it available as fast track modality, apprenticeships and online options as well. Please contact an advisor to get the most current scheduling. This degree plan is one of six options that students may pursue to earn the Business Management Associate in Applied Science (AAS) degree. While there are multiple specializations, this particular degree can be awarded only once.*
