Mission Statement

William Rainey Harper College is a comprehensive community college dedicated to providing excellent education at an affordable cost, promoting personal growth, enriching the local community and meeting the challenges of a global society. The specific purposes of the College are:

- to provide the first two years of baccalaureate education in the liberal and fine arts, the natural and social sciences and pre-professional curricula designed to prepare students to transfer to four-year colleges and universities;
- to provide educational opportunities that enable students to acquire the knowledge

- and skills necessary to enter a specific career; to provide continuing educational opportunities for professional job training, retraining and upgrading of skills and for personal enrichment and wellness;
- to provide developmental instruction for underprepared students and educational

opportunities for those who wish to improve their academic abilities and skills.

Essential to achieving these purposes are all of the College's resources, support programs and services.

Futures by Design

You've no doubt heard it said a thousand times before—failing to plan is planning to fail. So what are you waiting for? If you yearn to get out of your rut, to find a life you love, to choose a career that not only pads your pocket but taps your creative potential and nourishes your soul, you have to have a plan.

Fashion Design

Designer fashions used to belong only to the rich and famous. But thanks to web sites, shopping channels and mail order catalogs, the demand for fashionable togs at every income level is at an all-time high. If somebody has to design all those clothes, it might as well be you.

Our curriculum includes courses on textiles, costume history and fashion merchandising as well as hands-on training in apparel and flat pattern design, fashion illustration and professional design room practices such as draping and tailoring. Close cooperation between Harper College and the fashion

industry, including field trips to clothing manufacturers, ensures that you receive the kind of training the industry demands. And because our facilities simulate a professional design studio, you'll be ready to immediately assume a position as a couture or mass production designer, flat pattern maker, fashion coordinator or illustrator.

The Fashion Design program offers two options:

- Two-year associate degree
- 15-hour fashion design certificate

Great futures don't come naturally. Nor do careers. They evolve through careful planning and commitment—they happen by design. And—perhaps—designing is the future you visualize. If it is, take a look at the following three careers you can prepare for at Harper College. Perhaps one of them will turn out to be the right design for your future.

Interior Design

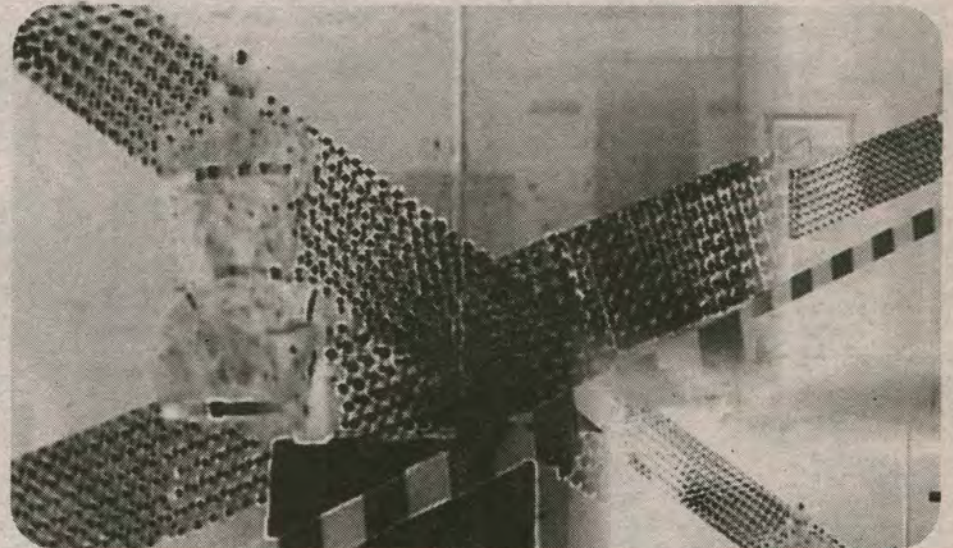

We'd all like to live and work in a comfortable, functional environment. But who has time these days to make it happen? Interior designers, that's who. The future for skilled designers looks bright as even modest-income families turn to trained professionals for help in selecting everything from floor coverings to bathroom sinks. At Harper College, we can help you to take advantage of this trend.

Our interior design degree program will prepare you for a job in residential or contract design, as a kitchen and bath designer, retail salesperson,

home furnishings buyer, manufacturer's rep or Merchandise Mart showroom manager. We'll teach you everything you need to know about space, materials, construction, lighting, computer-aided design (CAD), merchandising and more. By the time you complete our two-year program, you'll be ready for licensing in the State of Illinois, ready to assume your rightful place in this fast-growing field.

The Interior Design program offers this option:

- Two-year associate degree

Web Design

The web is evolving faster than ever. New browsing devices expand the web audience; new technologies bring richer user experiences. And the growing e-commerce firestorm promises vast new markets.

The current \$250 billion worth of goods and services being traded over the Internet drives companies to have a Net presence, and the subsequent call for Web master and designer, consultant and manager is creating thousands of new jobs nationwide. If the Internet continues to grow at its present pace—and all indications are that it will—the exploitation of its tremendous commercial potential will continue to drive up the demand for web personnel.

How can you keep up? By earning a web development degree or a web development or visual design certificate at Harper.

Classes are broad ranged and include an introduction to computer information systems, programming, an introduction to the Internet, web site development, Windows, multimedia management, graphic design communication and more.

The Web Development program offers three options:

- Two-year associate degree
- 21-hour web development certificate
- 21-hour web visual design certificate

Requirements for the Illinois CPA Certificate

To sit for the CPA examination in Illinois, the candidate must be a high school graduate, 18 years or older, of good moral character and meet residency requirements (or their equivalent). The candidate shall have taken 120 semester hours credit from an institution acceptable to the University of Illinois of which 27 must be in accounting and business law. Up to six hours of business law may be included to satisfy the 27 hour requirement. The remaining hours are to be selected from accounting courses of the candidate's choice. At Harper College, it is recommended that these include ACC 101, 102, 201, 202, 203, 211, 212, 250, 251, 253 and 254 and MGT 225. Note: Requirements will change for the January 2001 testing.

Requirements for the CMA Certificate

The CMA (Certified Management Accountant) is a national program with no state affiliates. The candidate must have senior standing at an accredited college or university, or must hold a baccalaureate degree, in any field, or have passed the U.S. CPA examination. Anyone who has passed the U.S. CPA examination is given credit for part 2 of the CMA examination. Recommended courses at Harper include ACC 101, 102, 201, 202, 203, 211, 212, 251, 253 and 254; ECO 210, 211 and 212; MGT 111, 218, 225 and 270; MTH 124; PHI 110 and CIS 101.

Fashion Design

For additional information, call Cheryl Turnauer at 847.925.6788.

Harper College Continuing Education (CE) offers basic sewing classes preparing you with the basic skills to succeed in the fashion design courses listed below. Additionally, enhance your current sewing skills and expand your fashion design expertise by learning a variety of new techniques through in-depth classes covering embroidery, weaving, and millinery work. For more information, call 847.925.6593, or see the CE course schedule mailed to your home the last week in July.

Like getting an education

Take a single class to upgrade your job skills. Or choose a career or transfer program.

Harper College offers more than 40 career programs designed to give students a specialized, well-rounded education and a competitive edge in the current job market. Students may pursue the associate in applied science degree or a certificate program. Career program coursework may transfer to some four-year colleges or universities.

The spectrum of transfer programs at Harper includes education, computer technology, business and the natural sciences. A transfer program allows you to finish the first two years of a bachelor's degree, then transfer to the college or university of your choice.

And getting an education at Harper is easy.

College Costs and Financial Aid

Going to college is an investment in your future. Additional career opportunities open up and annual income is often increased. But many times the cost of a

college education seems to outweigh the advantages. For some, financial aid is often the resource needed to make a college education a reality.

Financial aid is available from a wide variety of sources: federal and state government, institutions, and private sources. It includes scholarships, grants and student loan programs. Other

sources include Federal Work Study and Student Employment, Veteran's Benefits and tuition reimbursement by employers.

Scholarships

Scholarships do not have to be repaid. Many scholarships are based on need, while others are based on a grade point average or major.

Harper offers more than 120 scholarships, including the **Student Leaders Scholarship*** and four engineering scholarships: **Pepper Engineering Scholarship; Square D Engineering Endowed Scholarship; Northrop Grumman Engineering Scholarship; Northrop Grumman Engineering Scholarship 2+1 Program.**

Grants

Grants are available from both the federal government and the Illinois Student Assistance Commission (ISAC) to students who have the greatest financial need. Grants do not have to be repaid.

Student Loans

Student loans include the Federal Stafford Loan Programs and the Federal Plus Loan (Parent Loans for Undergraduate Students). Loans must be repaid.

Federal Work Study

On-campus and nonprofit off-campus part-time employment for students while they attend college is provided through this program.

Veterans Benefits

Eligible veterans and servicepersons receive a monthly educational allowance to attend school. Questions considering veterans' affairs should be directed to the Office of Student Financial Assistance, Student and Administration Center, A 364.

Step-by-step instructions to determine need and to apply for financial aid plus a complete list of grants, loans and scholarships can be found on the Harper Web site:

*Student Leaders Scholarship

This is the first year that Harper College, with the assistance of the Harper College Educational Foundation, has offered a scholarship for student leaders who have demonstrated outstanding service, leadership and character within their high school and the community.

Student Leader scholars will participate in leadership activities and will work with Harper mentors to continue development of leadership skills.

Welcome to the world of FlexEd™

Learning Options to Fit Your Busy Lifestyle.

With today's technology and the desire of colleges and universities to meet the changing needs of people on the go, courses are now more accessible, flexible, and convenient than ever. And this trend has never been more apparent than at Harper College.

Harper offers numerous FlexEd™ opportunities—telecourses from the comfort of your favorite armchair; classes in special formats and classes via the Internet. That's because we're committed to implementing new technologies and programs that are on the cutting edge. At Harper you'll find a variety of ways to challenge your mind, explore career avenues of interest, and develop new skills. All of our FlexEd™ programs provide flexibility and accessibility, allowing you to customize your education in a fashion that best suits your schedule. And your location.

That's the beauty of Harper's alternative learning options through FlexEd™—and the reason more people are getting an education while still keeping up with a very busy world.

See complete course listings on pages 25-28.

M=Monday, T=Tuesday, W=Wednesday, R=Thursday, F=Friday, A=Saturday, S=Sunday
TBA=To Be Announced

Sunrise Classes

The early bird gets the worm, and now, also a great education. Harper's early morning classes start anywhere from 6:00 to 7:35 in the morning and are perfect if you want to get a little learning in before you go to work.

Internet Courses

A variety of courses are now available to students via the World Wide Web. Not only will you have the flexibility of class scheduling, testing dates and times, you'll also have the opportunity to communicate with your instructor and classmates via e-mail or through discussion forums. If you have access to a computer with specific hardware and software requirements, modem and online access through an Internet Service Provider (ISP), then Internet courses may be the perfect option for you.

Late Start Classes

The name says it all. Late Start classes are ideal if you're not able to register on time. Or if you'd like to take two courses — one the first eight weeks of the semester and a second one the last eight weeks.

Open Entry Classes

Harper has designed this unique self-paced class format to meet the needs of many students. An open-entry class may be for you if you are unable to attend regularly scheduled classes. Or you want to finish the course work more quickly or you're just anxious to start, but the course has already begun. A one-hour orientation is required. The instructor will show you around the lab, hand out homework assignments and answer questions. Open Entry instructors are available for guidance during posted office hours. Open Entry classes are offered in AutoCAD, Administrative Technology and Computer Information Systems. In addition, all Adult Educational Development classes are open entry.

Telecourses

Harper offers a complete range of courses, from economics to psychology, that may be viewed on cable TV within the Harper district area. Each telecourse has a mandatory, on-campus orientation session in order to give you an introduction to the instructor and course expectations. Any missed classes can be viewed at the main campus Library or select area libraries. A taped set of classes may also be rented from the Bookstore for a fee.

Weekend College

If you have a demanding job or a very active lifestyle, our weekend courses may be the ideal way for you to concentrate on your educational goals. Harper College offers a variety of weekend formats, including the traditional sixteen-week course or shorter formats, such as three credits in three weekends. For many people, this is often the best way to earn an associate degree or credits that can be transferred to a four-year program.

Adult Educational Development

The Adult Educational Development (AED) Department offers Basic Skills, Pre-GED, GED, Citizenship Training, Employment Skills and Special Topics courses for persons who are over 16 years of age and who are not currently enrolled in high school. The department offers the Nonnative Literacy Program for persons whose first language is not English. On-site customized academic skills classes for business and industry are offered through Workforce and Professional Development. Student placement, achievement, GED predictive and career interest testing, and other advising services are also available. Classes are offered free of charge or for a low fee through support of federal and state grant funds.

The GED Testing Program is intended primarily for adults 19 years of age or older; however, students 17 and 18 years of age may test if they meet other eligibility requirements.

Students may register for Basic Skills, Pre-GED, GED, Citizenship and Employment classes at Harper's main campus or the Harper Northeast Center. Registration for Nonnative Literacy classes will be held only at the off-campus location where classes are taught: the Harper Northeast Center, Police Neighborhood Resource Center and Edgebrook Community Center.

All Adult Educational Development classes are open entry; open enrollment is generally allowed throughout the session in all classes if space is available. For more information, call 847.925.6223, or visit the AED Department in the Academic Resource Center, F338, or call the Northeast Center in Prospect Heights, 847.925.6015.

Workforce Program

The Workforce Program is offered by the AED Department in cooperation with Workforce and Professional Development in response to the increased need for workplace skill development. The program provides on-site customized training in a variety of subject areas which include basic reading, writing, mathematics and nonnative literacy. The department also conducts GED Test preparation on-site at the request of businesses.

This program provides the necessary link between the expectations and goals of the employer and employee. The comprehensive approach includes planning, assessment, development of curriculum and materials geared specifically to the needs of individual businesses, instruction, support services and evaluation.

Things you should know.

Eligibility

All high school graduates or the equivalent are eligible for admission to the College. A non-graduate 16 or 17 years of age who has severed his or her connection with the high school system, as certified in writing by the chief executive officer (or designee) of the high school district in which the student has legal residence, or a non-graduate 18 years or older may be admitted if he or she demonstrates the capacity to benefit from programs and courses offered by the College. To be placed in some programs in the College, the applicant may be required to meet additional requirements as specified by that program.

College Credit from Other Institutions

Students seeking a certificate or degree from Harper College and wanting to transfer credits from another college should complete a Transcript Evaluation Request at the Registrar's Office, Student and Administration Center, A213. Students must have an official transcript from each college attended sent to Harper College's Admissions Office.

Students wishing to use previous college level math, English, and other credits to fulfill Harper course prerequisites must bring transcripts or grade reports to registration and to the first day of class. Students do not need to request an evaluation for this purpose. Questions about previous college courses can be directed to the Registrar's Office, 847.925.6500.

Testing

Assessment testing is required of any student entering his or her first college level English or math course and must be completed prior to registration. The full assessment includes writing, reading and math testing, and it will take approximately two hours to complete. Photo identification is required. Please check the "Guide to Student Services" for Assessment Center hours.

Illinois Articulation Initiative (IAI)

If you are a new student starting at Harper summer 1998 or later, you may be eligible to participate in a state-wide agreement called the Illinois Articulation Initiative (IAI) designed to help Illinois college students transfer easily. By earning the 1998 AA or AS degree at Harper, you will have completed a General Education Core Curriculum which is transferrable to more than 100 participating Illinois colleges and universities. Or, if you are not looking to earn a degree before transfer, you can complete just the Core Curriculum at Harper and know that your general education courses will transfer to the other participating colleges and universities. You can get more information from the Center for New Students and Orientation, 847.925.6208, or visit the IAI web site at <http://www.iTransfer.org>.

Limited Enrollment Programs

Enrollment in certain career programs requires admission to the College and fulfillment of specific requirements for admission to the program. (Contact Admissions Office, 847.925.6765 for details.) These limited enrollment programs are Cardiac Technology, Dental Hygiene, Emergency Medical Technician, Nursing (RN and LPN) and Certified Nursing Assistant. Some courses and sections which are offered only to students in limited enrollment programs are not listed in this course schedule.

Hope Tax Credit

For the first two years of college, you or your parents can claim a new nonrefundable 100 percent tax credit up to \$1000 of tuition and fees per year, 50 percent credit for the next \$1000. This tax credit allows you to claim tuition and fee expenses if you enroll in a degree or certificate program for at least six credit hours.

Lifetime Learning Tax Credit

This credit will be permitted for subsequent education. This is a 20 percent nonrefundable tax credit up to \$5000 of direct educational expenses paid. Other tax benefits may be available to students and families. Additional information on these benefits and other sources of funding is available from the Office of Student Financial Assistance, Student and Administration Center, A364, 847.925.6248.

Auditing a Course

A student who wishes to audit a course will be required to pay full tuition and fees and must obtain approval from the instructor, department chair or dean before enrolling in the class. Registration for audit status may be completed only during final registration the first week of classes and must be the original enrollment in the class. Students taking the class for credit are given priority.

College District

Harper College District 512 serves the residents of high school Districts 211 (Palatine and Schaumburg Townships); 214 (Elk Grove and Wheeling Townships); and Barrington Unit School and District 220. Cancellations

The College reserves the right to withdraw any section of any course if enrollment is not sufficient to warrant offering that section. An effort is made to reach students with information on cancellations.

Special Notes

Students who are physically disabled should call 847.925.6266 for registration information.

Medical parking is available for students who have "handicapped" license plates or State of Illinois or township-issued "handicapped" parking cards. For further information contact Health and Psychological Services at 847.925.6268.

Junior, senior and graduate level extension courses are offered by four-year colleges and universities on the Harper campus and at the Harper off-campus locations.

Some classes may be filled because currently and previously enrolled students have been registering since November.

Changes in available classes made after publication of this course schedule and prior to registration will be listed on the website, www.harper.cc.il.us, and on the master schedule in the Student and Administration Center and other locations on campus.

Continuing Education

To register for Continuing Education courses, consult the Continuing Education schedule that will be mailed to your home in late July.

The Family Educational Rights and Privacy Act of 1974

Annual Notice to Students

In accordance with Illinois law, Harper College maintains a file of course outlines for all credit courses included in this course schedule. Complete information is given on course content, methodology and objectives. The outlines are available for student review in the Division offices or in the Office of the Executive Dean of Instruction, Math, Science and Health Careers Center, D129.

The following notice and information is given by William Rainey Harper College, District Number 512 to advise its students of their rights under the Family Educational Rights and Privacy Act of 1974 (The Act).

The Act established the right of students to inspect and review their education records; provides that personally identifiable information will not, with certain exceptions, be disclosed without the student's written permission; provides for guidelines for the correction of inaccurate or misleading data through informal or formal hearings; grants students the right to file complaints with the Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures of the College to comply with The Act; and makes provisions for notice to the students concerning their rights.

A student who wishes to review his or her education records must complete the appropriate form and submit it to the Registrar. The student will be notified in writing of a date and time he or she may come to review the records.

The following student data is hereby designated as "Directory Information" and as such may be disclosed or released by the College for any purpose and at its discretion: Student Name, Home Address, Home Telephone, Major Area of Study, Dates of Attendance, Degrees/Certificates Earned, Awards Received, Last College Attended, Officially Recognized Activities, Date and Place of Birth, Weights and Heights of Members of Athletic Teams.

To have any or all of the "Directory Information" withheld, the student must give written notice,

in person or by certified mail, return receipt requested and addressed to the Registrar by the first day of each course or program, as the case may be, for which he/she is enrolled.

William Rainey Harper College has adopted policies and procedures implementing The Act, which are contained in the William Rainey Harper College Student Handbook/Datebook.

Copies of The Act, William Rainey Harper College policies and procedures, the William Rainey Harper College Student Handbook/Datebook and forms for use in implementing the Act are available on request in the Registrar's Office, Student and Administration Center, Room A213.

Quick Guide to Admissions, Advising and Registration Fall 2000

NEW full-time students

Those planning to enroll in 12 or more credit hours:

You are a "New Student" if you have not previously been admitted to and have never been enrolled in credit courses at Harper College. You will need to complete an application for admission before you register. Applications are available online, in the Admissions Office, New Student Services and Art Center, C101, or by calling 847.925.6700.

STEP 1

Complete the application for admission, and submit it and a \$25 nonrefundable fee to the Harper College Admissions Office.

STEP 2

Submit to the Harper College Admissions Office an official high school transcript or GED results and official transcripts from each college attended. ACT results are also required unless you have completed 12 or more semester hours of previous college credit or are 24 years of age or older.

STEP 3

Watch for your invitation to a full-time student Orientation program. In Part I of Orientation you will become acquainted with Harper College student life and complete mandatory computerized assessment testing which determines your course placement in English, reading and math. You may be eligible for a waiver of testing with appropriate ACT scores and/or college transcripts. Details will be included with your invitation to Orientation.

STEP 4

Attend Part II of Orientation which includes information on Harper College programs, policies and resources, an individual advising session with a counselor and registration for your classes.

STEP 5

Pay tuition and fees by the due date given to you at the time of registration.

NEW part-time students

Those planning to enroll in fewer than 12 credit hours:

STEP 1

Complete the application for admission, and submit it and a \$25 nonrefundable fee to the Harper College Admissions Office. Part-time degree-seeking students are also required to submit an official high school transcript or GED results and official transcripts from each college attended. Part-time non-degree seeking students are not required to provide transcripts.

STEP 2

You are encouraged to attend a new student advising session. These small group sessions last about one and one-half hours and will give you information about Harper College programs, services, admission requirements and registration procedures. They also include an opportunity for each group member to speak with an advisor regarding course selection. Call 847.925.6208 to reserve a seat. Morning, afternoon and evening sessions are available.

STEP 3

If you plan to enroll in your first college level English and/or math course, you must take computerized writing, reading and/or math assessment tests. Test results determine your placement in those courses and must be completed prior to registration. You may be eligible for a waiver of testing with appropriate ACT scores and/or college transcripts. Contact the Center for New Students and Orientation at 847.925.6208, or the Assessment Center at 847.925.6541 for details.

STEP 4

Select class times and sign up for classes. New part-time students can use operator-assisted telephone, e-mail or walk-in registration to enroll in courses. See page 33 for registration options and instructions.

STEP 5

Pay tuition and fees by the due date given to you at the time of registration.

Currently and previously enrolled credit students

As a "previously enrolled" student, you have already submitted an application, been admitted to and enrolled in a credit class at Harper College. You do not need to reapply.

STEP 1

You are encouraged to schedule an appointment in one of the counseling centers for individualized academic advising, educational planning, information on transferring to another institution and/or to determine which catalog edition to follow. Call 847.925.6522 for an appointment. (If you are blocked from registration because of academic standing, you must see a counselor before your registration will be unblocked.)

STEP 2

If you plan to enroll in your first college-level English and/or math course, you must take the writing, reading and/or math assessment tests. Test results determine your placement in those courses and must be completed prior to registration. You may be eligible for a waiver of testing with appropriate ACT scores and/or college transcripts. Contact the Assessment Center at 847.925.6541 for details.

STEP 3

Select class times and register. Currently and previously enrolled Harper College students can use walk-in, e-mail, touchtone or operator-assisted telephone registration. See page 33 for options and registration instructions.

STEP 4

Pay tuition and fees by the due date given to you at the time of registration.

Fall Semester 2000 Registration

TT Touchtone Registration 847.925.1515

For currently enrolled and previously enrolled students

Dates	Hours of Operation
June 19-August 23	Monday-Thursday 7 am-10 pm
July 28 & August 4	Friday (only) 9 am-3 pm
July 29, August 5 & 12	Saturday 9 am-3 pm
August 19	Saturday 9 am-12 noon

Helpful Hints

- Enrolling in a course without satisfying the prerequisite may result in the student being withdrawn from such course at the request of the instructor. Refer carefully to catalog course descriptions or the course prerequisite information.
- Always use the numeral "0" and not the letter "o".
- If no four-digit touchtone number is listed for a course, it means that the course requires special permission and you must register for it in person.
- Enter your VISA, MASTERCARD or DISCOVER credit card number and expiration date. Remember to enter the # sign after you have entered your credit card number. The total amount of charges for all course entries will be charged to the credit card.

All students are encouraged to contact a counselor for academic advising (847.925.6522 or 847.925.6393) before using touchtone registration. Students who are Deaf, hard of hearing or who have a disability that prevents them from using touchtone registration should contact a staff member in the Center for Access and Disability Services (ADS), Science, Math and Health Careers Center, D119, 847.925.6266 (V) or 847.397.7600 (TTY). Students who are registering for their first English or math course are required to complete appropriate testing prior to registration. Please check the "Guide to Student Services" for Assessment Center hours.

You may use touchtone registration for credit courses if:

1. You are a continuing or returning Harper credit student.
2. You have a touchtone phone.

All students may use the touchtone system for payment if:

1. You are enrolled in credit classes.
2. You have a touchtone phone. Please begin at Step 2, below.

INSTRUCTIONS

Step 1

- A. Select the four-digit touchtone number and three digit LEC, LAB or DIS section for the specific courses you want to add to — or drop from your schedule. (Codes are printed below each course number.)
- B. Have a pencil and paper ready. The system may give you information you need. Listen to instructions carefully; the computer will prompt you with spoken instructions or responses.

Step 2 — Dial 847.925.1515. If the line is busy, please try again.

Step 3 — Enter your social security number

□□□-□□-□□□□

Step 4 — Enter your date of birth

□□ □□ □□

(Month) (Day) (Year)

Step 5 — The system will ask you to enter your request.

Enter

- 1 = to register for a course (The system will ask you to enter the four-digit touchtone number and then the three-digit section number.)
- 2 = to drop a course
- 3 = to complete this registration session, check your fee balance or pay fees
- 4 = to check your current schedule (This request will list times and room locations of courses.)
- 9 = to cancel all registration activity completed during this call

Step 6

IMPORTANT: After finishing all inquiries, you must enter 3 to confirm your schedule. Additional instructions may be given at that point. Failure to enter 3 may result in the possible loss of classes. Your registration confirmation notice and bill will be mailed if your registration is successful.

75% Refund - Thursday of first week of class through Saturday of first week of class
No Refund - After Saturday of first week of class

Classes meeting on a different schedule will have other, prorated deadlines. See Registrar's Office for details.

Dropping college credit classes

- If the student decides not to attend classes, it is the responsibility of the student to officially drop/withdraw from classes by the prescribed date. If the student does not drop/withdraw officially from the class(es) listed on the registration confirmation statement, the student is responsible for tuition and fees for the fall 2000 semester.
- During the refund period, students who wish to drop one or more of their college classes for which they are registered may do so in the Office of the Registrar, Student and Administration Center, A213. To be eligible for a refund, students must withdraw during the refund period specified above. Refund based on the above refund schedule.
- The Business Office will disperse refunds by mail. Refunds will be processed by check, or, if payment was by credit card, applied to credit card account. Refunds will be processed within 4-6 weeks.
- After the refund period, a formal written notice to drop one or more full semester classes or to withdraw from the College must be submitted to the Registrar's Office in person by Saturday, November 11, at 12:00 noon. The student's record will show "W" for withdraw.
- Students who simply stop attending for any reason and who do not submit their written notice for dropping a class(es) will not receive any refund and are subject to an "F" grade.
- Students who have not officially withdrawn from a class(es) prior to the start of the term will be held liable for tuition whether or not payment has already been made.

Senior Citizen Discount is available to district residents 60 years of age and older. They will be assessed a 50 percent tuition to credit courses that are dedicated specifically to senior citizens. District residents age 65 years of age and older are eligible for a 100 percent discount for all credit courses during late registration. Late registration is the first day of the term or the first day of the session in which the class meets. This must be the student's initial enrollment in the class and there must be space available. Students may not drop and reenroll for the discount.

Educational Services Agreement

Businesses within the Harper College district can now offer Harper in-district tuition rates to employees who live outside the College district but within Illinois. The Educational Services Agreement Program permits these employees of in-district businesses to attend Harper classes at in-district prices if their employers have registered for this unique program. The in-district tuition is available whether the cost is to be paid by the employees or by the company. Employees who are interested in this program should contact the Admissions Outreach Office, 847.925.6247.

Chargeback/Joint Agreement

Out-of-district students desiring to pursue a certificate or degree program at Harper that is not available at their community college may apply for a chargeback or joint agreement. If the application is approved, the student will be able to receive in-district rates. For further information call 847.925.6502.
