***Note: You may be eligible for a combination of Federal Direct Subsidized and Unsubsidized Loans. All loan adjustments will be made to maximize your subsidized loan eligibility.**

- Federal Direct Subsidized Loans are federally guaranteed loans based on financial need. Interest does not accrue on the loan while you are in school at least half time, or during any future deferment periods. The federal government "subsidizes" (or pays) the interest during these times.
- Federal Direct Unsubsidized Loans are federally guaranteed loans that are *not* based on financial need. Interest does accrue from the time the loan is disbursed to the school.
