## Transfer Scholarships

Incoming transfer students are encouraged to apply for the following scholarships. They are a combination of merit-based and opportunity awards. The award amounts range from \$500 to full tuition.

Scholarship applications submitted by March 15th receive priority consideration. You may submit your application after this deadline. However, early filing improves your chances of receiving an award. The scholarship application is attached. Consideration for some scholarships may require additional information from the applicant. Also please remember to apply for financial aid, including grants, work-study, and loans by filing the Free Application for Federal Student Aid (FAFSA). For students applying for scholarships and talent awards, it is strongly recommended that they complete the FAFSA. The FAFSA priority filing date is March 1st. Northeastern Illinois University's Federal School Code is 001693.
