## THIS TRANSFER GUIDE CONTAINS IMPORTANT TRANSFERINFORMATION THAT CAN IMPACT A STUDENT'S ABILITY TO TRANSFER AND COMPLETE THEIR STUDIES IN A TIMELY MANNER.

## The information on this sheet is subject to frequent change; students should contact the four-year school to keep informed of changes. Final responsibility for verifying all transfer information lies with the student.

## TRANSFER OPTIONS

## Complete AA or AS* Degree

Students planning on transferring to Western Illinois University who complete the AA or AS* degree can benefit from the Illinois Articulation Initiative (IAI). By completing Harper's 1998 or later AA or AS* degree with a 2.0 GPA in Groups 1-5, WIU's general education requirements will be considered met.
Individual majors may have additional prerequisites and/or requirements that are not covered by this agreement.

* On September 18, 2015 the Illinois Community College Board approved the changes to the AS degree. The changes are effective beginning with the 2016-2017 academic year. The new AS model requires fewer humanities and fine arts and social and behavioral sciences and requires additional mathematics and science. Effective the 2016/2017 catalog the AS will no longer include the IAI GECC package. Students who complete the AS degree will need to take the additional humanities and fine arts and social behavior science at ISU.

## Transfer without completing AA or AS* Degree

Students who choose to transfer prior to completing an AA or AS* degree can still benefit from Illinois Articulation Initiative (IAI) by completing Groups $1-5$ of the AA or AS* with a cumulative 2.0 GPA. This completes the General Education Core Curriculum (GECC) which will meet WIU's general education requirements.

Students who do not complete the AA or AS* or the GECC will need to meet WIU's general education requirements. See the transfer grid on page 5 of this guide. Students who have earned 30 hours of transferable credit to WIU and are IAI eligible may have the option to complete the GECC after transfer, instead of WIU'S general education requirements. Students should check with a WIU advisor to determine the best option.

## ADMISSION REQUIREMENTS FOR TRANSFER STUDENTS

24 hours or more

- Minimum 2.0 GPA

## Less than 24 hours

- Minimum 2.0 GPA
- ACT score and High School Transcript must be submitted

All courses completed will be considered in determining if the student has completed at least $\mathbf{2 4}$ hours, including developmental coursework.

## WIU TRANSFER GUIDES

Some majors at WIU recommend specific coursework to me taken prior to transfer. Taking the coursework will help students complete their degree at WIU in a more timely manner. Transfer Guides can be found at http://www.wiu.edu/student services/undergraduate admissions/transfer/guides/

## ADDITION INFORMATION FOR BUSINESS AND EDUCATION MAJORS

Students planning on majoring in Business or Education should consult the Business Packet or the Education Packet found at www.harpercollege.edu/transfer for additional transfer requirements.

## TRANSFER ADMISSION GUARANTEE (TAG)

The TAG program offers the opportunity for students who are transferring from an accredited institution guaranteed admission to Western Illinois University to complete their bachelor's degree. Students must meet the TAG requirements to be eligible for the program and also sign a participation agreement. To learn more, see
http://www.wiu.edu/student services/undergraduate admissions/tag/

## COLLEGE OF ARTS AND SCIENCES

## BACHELOR OF SCIENCE - MATH AND SCIENCE REQUIREMENT

Students completing a Bachelor of Science degree in the College of Arts and Sciences must complete 16 hours of math and science including one 2-course sequence. For the sequence students can choose from:

- 2 math courses - Calculus I and Calculus II
- 2 biology courses
- 2 physical science courses

## FOREIGN LANGUAGE GRADUATION REQUIREMENT

Effective Fall 2011 all candidates for a baccalaureate degree at Western Illinois University are required to complete the foreign language/global issues requirement. Students will complete one of the options listed below. Successfully complete an intermediate foreign language requirement or demonstrate equivalent proficiency by one of the following:

- Complete three years of high school language with an average grade of $C$ or better
- Pass an appropriate test offered by the WIU Department of Foreign Languages and Literatures
- Complete with an average grade of C or better, three semester of college level courses in a single foreign language at WIU or through another university, college, high school placement or combination thereof
- Be an International student admitted to WIU whose native language is not English

OR

- Take a General Education course that is designated as "Global Issues." The following Harper courses will satisfy this requirement: ANT 101, 202, 210; DIT 205; GEG 100, 101, 103; LIT 208; PSC 250, 270

## TRANSFER CREDIT

Transfer credit from two-year colleges is limited only by the provision that at least 60 semester hours must be earned at WIU or another approved four-year institution (including a minimum of 40 semester hours in upper-division courses) and residence requirements for a degree from WIU must be completed. In general, grades of D are transferable.

## CALCULATION OF ADMISSION GRADE POINT AVERAGE

WIU will follow Harper grading policies when calculating the admission GPA (i.e., will use the higher grade of a repeated course, etc.). The only exception is Nursing, which only takes the first attempt into account.

## APPLICATION DEADLINES

December $1^{\text {st }}$ is the recommended deadline for students applying for the Spring semester and August $1^{\text {st }}$ is the recommended deadline for students applying for the Fall semester. Applications to the QC campus should be submitted prior to the start of the semester.

## TRANSFER SCHOLARSHIPS

New transfer students who finish any associates degree (including applied science degrees) from an accredited institution and enroll full-time at WIU will receive a one-time $\$ 400$ award to purchase books at the University Bookstore. New transfer students who complete the associate degree with a minimum 3.50 GPA and enroll full-time will receive a one-time $\$ 1,000$ scholarship these students will not receive the book award.

More information about this and other scholarships is available at:
http://www.wiu.edu/student services/undergraduate admissions/transfer/westernCommitment.php
Additional scholarship information can be found at http://www.wiu.edu/student services/scholarship/transferScholarships.php

Western Illinois University Transfer Guide
Below are general education requirements for Western Illinois University. Individual majors may require additional course work for admission and/or additional general education course work for graduation. Final decisions regarding the acceptance of credit rests with Western Illinois University.
Students transferring with an AA (1998 or later) or AS (1998-2015) or the IAI General Education Core (Groups 1-5) will have met the University General Education requirements listed below. Please note that bold courses are IAI approved and should be used to fulfill Harper College General Education requirements. AREA

SEMESTER HOURS REQUIRED EQUIVALENT HARPER COURSE

| Communication Skills C or better required in ENG 101 \& 102; SPE 101 is preferred | 9 | ENG 101, 102; SPE 101 |
